

Consumer Expenditure Surveys Interview Questionnaire (CEQ) – October 2021 – June 2022

Computer Assisted Personal Interviewing (CAPI) – Instrument Specifications

Introduction

This document provides data users with the questions asked of respondents in the 2021 Consumer

Expenditure Interview Questionnaire (CEQ). It is organized by questionnaire section and includes variable names, question text, response options, and skip instructions. As the contents of this document are instrument specifications, which show the organization of the survey from the perspective of the person interviewing the respondent, some content, including interviewer help options, icons, and CAPI-specific language, may not be relevant to data users.

This version is intended for use from October 2021 through June 2022.
