TABLE L57. **Number of nonfatal occupational injuries and illnesses involving days away from work[1] by source of injury or illness, gender, and length of service with employer, local government, 2011[2]** — Continued

Source	Source code[3]	Local govern-ment[4]	Gender			Length of service with employer				
			Male	Female	Not reported	Less than 3 months	3 - 11 months	1 - 5 years	More than 5 years	Not reported
Nonclassifiable	9999	4,900	3,800	870	240	90	20	1,270	2,780	750

[1] Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.
[2] Incorrect national-level estimates of nonfatal occupational injuries and illnesses were published for the Survey of Occupational Injuries and Illnesses (SOII) for reference year 2011. This table includes corrected estimates. For additional information see: http://www.bls.gov/bls/errata/iif_errata_1014.htm.
[3] Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.
[4] Excludes farms with fewer than 11 employees.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
