TABLE R58. **Number of nonfatal occupational injuries and illnesses involving days away from work[1] by source of injury or illness and summary occupational groups, private industry, 2012[2]** — Continued

| Source | Summary occupational groups[5] | | | | | |
|---|---|---|---|---|---|---|
| | Office and administrative support occupations | Farming, fishing, and forestry occupations | Construction and extraction occupations | Installation, maintenance, and repair occupations | Production occupations | Transportation and material moving occupations |
| **Nonclassifiable** ..... | 590 | 230 | 970 | 1,130 | 1,260 | 2,350 |

[1] Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.
[2] Incorrect national-level estimates of nonfatal occupational injuries and illnesses were published for the Survey of Occupational Injuries and Illnesses (SOII) for reference year 2012. This table includes corrected estimates. For additional information see: http://www.bls.gov/bls/errata/iif_errata_1014.htm.
[3] Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.
[4] Excludes farms with fewer than 11 employees.
[5] *Standard Occupational Classification Manual,* 2010, Office of Management and Budget.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
