¹ Estimate is suppressed because it does not meet the American Time Use Survey publication standards.

² Estimate is approximately zero.

NOTE: Estimates refer to work done for one's main job only and exclude travel related to work. Other activities done simultaneously are not included. These estimates are a snapshot showing the percent of individuals working at the one-minute interval that starts at the time indicated. Data refer to persons 15 years and over. For technical information about the American Time Use Survey, see the ATUS User's Guide at <https://www.bls.gov/tus/atususersguide.pdf>.
