See footnotes at end of table.

TABLE S1. Number of nonfatal occupational injuries and illnesses involving days away from work¹ by industry and selected natures of injury or illness, state government, **2011**² — Continued

				Nature of injury or illness ⁵								
					Cuts, lacerations, punctures							
Industry ³	NAICS code ⁴	Total cases	Sprains, strains, tears	Fractures	Total	Cuts, lacera- tions	Punc- tures	Bruises, contu- sions	Heat burns	Chemical burns	Amputa- tions	
Public administration		37,270	14,520	1,750	1,320	970	350	2,860	70	30	20	
Public administration	92	37,270	14,520	1,750	1,320	970	350	2,860	70	30	20	

See footnotes at end of table.

TABLE S1. Number of nonfatal occupational injuries and illnesses involving days away from work¹ by industry and selected natures of injury or illness, state government, 2011² — Continued

	Nature of injury or illness ⁵								
			Multiple traumatic injuries and disorders			1			
Industry ³	Carpal tunnel syndrome	Tendon- itis	Total	With fractures and other injuries	With sprains and other injuries	Sore- ness, pain	All other natures ⁶		
Public administration	390	60	2,050	510	760	6,530	7,680		
Public administration	390	60	2,050	510	760	6,530	7,680		

¹ Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.

² Incorrect national-level estimates of nonfatal occupational injuries and illnesses were published for the Survey of Occupational Injuries and Illnesses (SOII) for reference year 2011. This table includes corrected estimates. For additional information see: https://www.bls.gov/bls/errata/iif_errata_1014.htm.

³ Totals include data for industries not shown separately.

⁴ North American Industry Classification System — United States, 2007.

⁵ Data shown in columns correspond to the following Nature codes: Sprains, strains, tears = 123; Fractures = 111; Cuts, lacerations, punctures, Total = 132-133; Cuts, lacerations = 132; Punctures = 133; Bruises, contusions = 143; Heat burns = 152; Chemical burns = 151; Amputations = 1311; Carpal tunnel syndrome = 2241; Tendonitis (other or unspecified) = 2735; Multiple traumatic injuries and illnesses, Total = 18; With fractures and other injuries = 183; With sprains and other injuries = 182; Soreness, pain = 1972; All other natures = all remaining codes, including 9999 (Nonclassifiable). These codes are based on the Coupational Illness Classification System 2.01 developed by the Bureau of Labor Statistics.

⁶ Includes nonclassifiable responses.

⁷ Excludes farms with fewer than 11 employees.

⁸ Data for Mining (Sector 21 in the North American Industry Classification System-- United States, 2007) include establishments not governed by the Mine Safety and Health Administration rules and reporting, such as those in Oil and Gas Extraction and related support activities. Data for mining operators in coal, metal, and nonmetal mining are provided to BLS by the Mine Safety and Health Administration, U.S. Department of Labor. Independent mining contractors are excluded from the coal, metal, and nonmetal mining industries. These data do not reflect the changes the Occupational Safety and Health Administration made to its recordkeeping requirements effective January 1, 2002; therefore, estimates for these industries are not comparable to estimates in other industries.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
