Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals. Source: Bureau of Labor Statistics, U.S. Department of Labor, Survey of Occupational Injuries and Illnesses in cooperation with participating State agencies.

Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.
 Incorrect national-level estimates of nonfatal occupational injuries and illnesses were published for the Survey of Occupational Injuries and Illnesses (SOII) for reference year 2012. This table includes corrected estimates. For additional information see: https://www.bls.gov/bls/errata/iif\_errata\_1014.htm.

Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.
 Excludes farms with fewer than 11 employees.
