1/ Components of income and taxes are derived from "complete income reporters" only through 2003; (see glossary at http://www.bls.gov/cex/csxgloss.htm ). Beginning in 2004 income imputation was implemented. As a result, all consumer units are considered to be complete income reporters.

2/ As of 2005 the title of Televisions, radio, sound equipment was changed to Audio and visual equipment and services.
3/ Prior to 2000, gifts of Alcoholic beverages, Personal care products and services, and Reading materials were included in "All other gifts".

Note: All values have been rounded, and as a result some cell values have been rounded to zero. This is particularly evident in the characteristic section. When data are not reported or are not applicable (i.e., missing values), tabulated cell values have been set to zero.
