

Diary Screening Questions

As part of the survey, everyone in your household is asked to keep track of their spending for the next week. To help us know what type of diary is best for each person, I'm going to ask a few questions. It would be beneficial for all household members to be present for these questions.

Ask if anyone else in the household is available to join in for this part of the interview.

For each person in household

1. Is <<Name>> present?
 - i. Yes
 - ii. No

Speaking to identified person, if present, otherwise asking the respondent

2. Do you have high speed internet access available in the home or through a smartphone with a data plan?
 - i. Yes
 - ii. No - go to question 5
3. How often do you access the internet with a computer or smartphone?
 - i. Daily
 - ii. A few times a week
 - iii. A few times a month - go to question 5
 - iv. Less than a few times a month - go to question 5
4. You can complete the diary online, using a computer or smartphone, or on paper. Do you prefer to have an electronic or a paper one?
 - i. Mobile/web
 - ii. Paper
5. Based on your answers, we would like you to complete this paper diary.
 - i. Paper
6. So I can contact you during the week to see if there are any questions about the diary, may I have your phone number and/or e-mail? Your phone number and e-mail address will be held, like the rest of your data, completely confidential.

Electronic diary respondents will receive an email with links and useful information.
