3 Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.
4 Excludes farms with fewer than 11 employees.

 January 1, 2002; therefore, estimates for these industries are not comparable to estimates in other industries.

6 Data for employers in rail transportation are provided to BLS by the Federal Railroad Administration, U.S. Department of Transportation.
Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals
