

TABLE L111. Incidence rates<sup>1</sup> for nonfatal occupational injuries and illnesses involving days away from work<sup>2</sup> per 10,000 full-time workers by event or exposure leading to injury or illness and gender, local government, 2013

| Event or exposure  | Event code <sup>3</sup> | Local government <sup>4</sup> | Gender           |                  |
|--|-------------------------|-------------------------------|------------------|------------------|
|  |                         |                               | Male             | Female           |
| Total .....  |                         | 174.1                         | 235.9            | 125.3            |
| <b>Violence and other injuries by persons or animals</b> .....                             | <b>1</b>                | <b>22.0</b>                   | <b>30.6</b>      | <b>15.2</b>      |
| Violence and other injuries by persons or animals, unspecified .....                       | 10                      | .1                            | —                | .1               |
| Intentional injury by person .....   | 11                      | 8.3                           | 10.1             | 6.8              |
| Intentional injury by person, unspecified .....  | 110                     | ( <sup>5</sup> )              | ( <sup>5</sup> ) | ( <sup>5</sup> ) |
| Intentional injury by other person .....   | 111                     | 8.2                           | 10.1             | 6.7              |
| Intentional injury by other person, unspecified .....                                      | 1110                    | .4                            | .7               | .2               |
| Shooting by other person—intentional .....   | 1111                    | .1                            | .2               | —                |
| Stabbing, cutting, slashing, piercing .....  | 1112                    | ( <sup>5</sup> )              | —                | ( <sup>5</sup> ) |
| Hitting, kicking, beating, shoving .....   | 1113                    | 6.9                           | 8.1              | 5.9              |
| Threat, verbal assault .....   | 1117                    | .1                            | .1               | ( <sup>5</sup> ) |
| Multiple violent acts by other person .....  | 1118                    | .1                            | .1               | —                |
| Intentional injury by other person, n.e.c. ....  | 1119                    | .7                            | .9               | .5               |
| Injury by person—unintentional or intent unknown .....                                     | 12                      | 11.9                          | 17.5             | 7.5              |
| Injury by person—unintentional or intent unknown, unspecified .....                        | 120                     | .3                            | .3               | .3               |
| Injury by other person—unintentional or intent unknown .....                               | 121                     | 11.5                          | 17.1             | 7.0              |
| Injury by other person—unintentional or intent unknown, unspecified .....                  | 1210                    | .5                            | .3               | .7               |
| Shooting by other person—unintentional .....   | 1211                    | ( <sup>5</sup> )              | .1               | —                |
| Injured by physical contact with other person in sporting event or physical training ..... | 1212                    | 1.0                           | 1.3              | .8               |
| Injured by physical contact during horseplay .....   | 1213                    | ( <sup>5</sup> )              | —                | ( <sup>5</sup> ) |
| Injured by physical contact with person while restraining, subduing—unintentional .....    | 1214                    | 8.5                           | 14.8             | 3.6              |
| Injured by physical contact with person while moving that person—unintentional .....       | 1215                    | .4                            | .3               | .5               |
| Multiple unintentional injuries by other person .....                                      | 1218                    | ( <sup>5</sup> )              | —                | —                |
| Injury by other person—unintentional or intent unknown, n.e.c. ....                        | 1219                    | 1.0                           | .4               | 1.5              |
| Self-inflicted injury—unintentional or intent unknown ..                                   | 122                     | ( <sup>5</sup> )              | —                | —                |
| Injury by person—unintentional or intent unknown, n.e.c. ....                              | 129                     | .1                            | —                | .1               |
| Animal and insect related incidents .....  | 13                      | 1.8                           | 3.0              | .9               |
| Bites and stings .....   | 131                     | 1.6                           | 2.7              | .7               |
| Bites and stings, unspecified .....  | 1310                    | .3                            | .4               | .2               |
| Stings and venomous bites .....  | 1311                    | .5                            | .9               | .3               |
| Nonvenomous insect bites .....   | 1312                    | .3                            | .6               | .1               |
| Other animal bites, nonvenomous .....  | 1313                    | .4                            | .9               | .1               |
| Bites and stings, n.e.c. ....  | 1319                    | ( <sup>5</sup> )              | ( <sup>5</sup> ) | —                |
| Struck by animal .....   | 132                     | .1                            | .1               | ( <sup>5</sup> ) |
| Kicked by animal .....   | 1322                    | ( <sup>5</sup> )              | .1               | —                |
| Struck by animal, n.e.c. ....  | 1329                    | ( <sup>5</sup> )              | .1               | ( <sup>5</sup> ) |
| Multiple types of animal and insect incidents .....  | 138                     | .1                            | .1               | .1               |
| Bitten and struck by animal .....  | 1381                    | ( <sup>5</sup> )              | —                | .1               |
| Animal and insect related incidents, n.e.c. ....   | 139                     | ( <sup>5</sup> )              | —                | ( <sup>5</sup> ) |
| <b>Transportation incidents</b> .....  | <b>2</b>                | <b>10.6</b>                   | <b>17.9</b>      | <b>4.9</b>       |

| Struck against object or equipment while moving it .....                         | 6312                    | .7                            | 1.4              | .2               |
| Struck against moving object or equipment, n.e.c. ....                           | 6319                    | .1                            | .2               | .1               |
| Struck against stationary object or equipment .....                              | 632                     | 5.8                           | 8.9              | 3.3              |
| Struck against stationary object or equipment, unspecified .....                 | 6320                    | .7                            | 1.3              | .1               |
| Stepped on object .....  | 6321                    | 1.6                           | 2.8              | .6               |
| Struck against stationary object or equipment while rising .....                 | 6322                    | .6                            | .7               | .5               |
| Struck against stationary object or equipment, n.e.c. ....                       | 6329                    | 3.0                           | 4.0              | 2.1              |
| Struck against object or equipment, n.e.c. ....                                  | 639                     | .7                            | 1.0              | .4               |
| Caught in or compressed by equipment or objects .....                            | 64                      | 1.9                           | 2.8              | 1.3              |
| Caught in or compressed by equipment or objects, unspecified .....               | 640                     | .2                            | .2               | .2               |
| Caught in running equipment or machinery .....                                   | 641                     | .2                            | .2               | .2               |
| Caught in running equipment or machinery during maintenance, cleaning .....      | 6411                    | ( <sup>5</sup> )              | .1               | —                |
| Caught in running equipment or machinery during regular operation .....          | 6412                    | .1                            | .2               | .1               |
| Caught in running equipment or machinery, n.e.c. ....                            | 6419                    | ( <sup>5</sup> )              | —                | —                |
| Compressed or pinched by shifting objects or equipment .....                     | 642                     | .6                            | .9               | .4               |
| Compressed or pinched between two stationary objects .....                       | 643                     | .1                            | .2               | ( <sup>5</sup> ) |
| Entangled in other object or equipment .....                                     | 644                     | .3                            | .4               | .2               |
| Caught in or compressed by equipment or objects, n.e.c. ....                     | 649                     | .5                            | .9               | .3               |
| Struck, caught, or crushed in collapsing structure, equipment, or material ..... | 65                      | .1                            | .2               | —                |
| Excavation or trenching cave-in .....  | 651                     | .1                            | .1               | —                |
| Rubbed or abraded by friction or pressure .....                                  | 66                      | .5                            | .9               | .1               |
| Rubbed or abraded by kneeling on surface .....                                   | 661                     | ( <sup>5</sup> )              | ( <sup>5</sup> ) | —                |
| Rubbed or abraded by objects being handled .....                                 | 662                     | ( <sup>5</sup> )              | ( <sup>5</sup> ) | —                |
| Rubbed or abraded by foreign matter in eye .....                                 | 663                     | .4                            | .8               | .1               |
| Rubbed or abraded by friction or pressure, n.e.c. ....                           | 669                     | ( <sup>5</sup> )              | —                | —                |
| Rubbed, abraded, or jarred by vibration .....                                    | 67                      | .3                            | .3               | .3               |

See footnotes at end of table.

TABLE L111. Incidence rates<sup>1</sup> for nonfatal occupational injuries and illnesses involving days away from work<sup>2</sup> per 10,000 full-time workers by event or exposure leading to injury or illness and gender, local government, 2013 — Continued

| Event or exposure  | Event code <sup>3</sup> | Local government <sup>4</sup> | Gender           |                  |
|--|-------------------------|-------------------------------|------------------|------------------|
|  |                         |                               | Male             | Female           |
| Rubbed, abraded, or jarred by vehicle vibration .....                    | 671                     | 0.3                           | 0.2              | 0.3              |
| Rubbed, abraded, or jarred by other machine or equipment vibration ..... | 672                     | ( <sup>5</sup> )              | ( <sup>5</sup> ) | —                |
| Contact with objects and equipment, n.e.c. ....                          | 69                      | .1                            | .1               | .1               |
| <b>Overexertion and bodily reaction</b> .....                            | 7                       | 56.3                          | 84.6             | 34.0             |
| Overexertion and bodily reaction, unspecified .....                      | 70                      | 2.4                           | 4.0              | 1.1              |
| Overexertion involving outside sources .....                             | 71                      | 32.2                          | 48.6             | 19.3             |
| Overexertion involving outside sources, unspecified ..                   | 710                     | 1.0                           | 1.6              | .5               |
| Overexertion in lifting, lowering .....                                  | 711                     | 16.1                          | 24.3             | 9.6              |
| Overexertion in lifting, lowering, unspecified .....                     | 7110                    | 1.1                           | 1.6              | .6               |
| Overexertion in lifting—single episode .....                             | 7111                    | 13.5                          | 20.3             | 8.0              |
| Overexertion in lifting—multiple episodes .....                          | 7112                    | 1.3                           | 2.0              | .8               |
| Overexertion in lowering—single episode .....                            | 7113                    | .3                            | .4               | .2               |
| Overexertion in lowering—multiple episodes .....                         | 7114                    | ( <sup>5</sup> )              | —                | —                |
| Overexertion in pushing, pulling, or turning .....                       | 712                     | 7.5                           | 10.7             | 5.0              |
| Overexertion in pushing, pulling, or turning, unspecified .....          | 7120                    | .8                            | .9               | .7               |
| Overexertion in pushing, pulling, or turning—single episode .....        | 7121                    | 6.2                           | 9.2              | 3.9              |
| Overexertion in pushing, pulling, or turning—multiple episodes .....     | 7122                    | .5                            | .7               | .4               |
| Overexertion in holding, carrying, or wielding .....                     | 713                     | 2.7                           | 4.2              | 1.6              |
| Overexertion in holding, carrying, or wielding, unspecified .....        | 7130                    | .2                            | .3               | .1               |
| Overexertion in holding, carrying, or wielding—single episode .....      | 7131                    | 2.3                           | 3.6              | 1.3              |
| Overexertion in holding, carrying, or wielding—multiple episodes .....   | 7132                    | .3                            | .3               | .2               |
| Overexertion in throwing, catching .....                                 | 714                     | 1.2                           | 1.9              | .7               |
| Overexertion in throwing, catching, unspecified .....                    | 7140                    | ( <sup>5</sup> )              | —                | .1               |
| Overexertion in throwing—single episode .....                            | 7141                    | .3                            | .6               | .1               |
| Overexertion in throwing—multiple episodes .....                         | 7142                    | .1                            | .1               | —                |
| Overexertion in catching—single episode .....                            | 7143                    | .8                            | 1.1              | .5               |
| Overexertion in catching—multiple episodes .....                         | 7144                    | ( <sup>5</sup> )              | ( <sup>5</sup> ) | ( <sup>5</sup> ) |
| Multiple types of overexertion involving outside sources .....           | 718                     | 3.1                           | 5.1              | 1.5              |
| Overexertion involving outside sources, n.e.c. ....                      | 719                     | .5                            | .8               | .3               |
| Repetitive motions involving microtasks .....                            | 72                      | 3.3                           | 2.8              | 3.7              |
| Repetitive motions involving microtasks, unspecified .....               | 720                     | .6                            | .5               | .7               |
| Typing, key entry, texting, or mousing .....                             | 721                     | .6                            | .1               | .9               |
| Repetitive use of tools, instruments .....                               | 722                     | .8                            | .8               | .8               |
| Repetitive grasping, placing, or moving objects, except tools .....      | 723                     | .7                            | .7               | .7               |
| Repetitive use of hands, not involving tools .....                       | 724                     | .2                            | .2               | .2               |
| Multiple types of repetitive motions .....                               | 728                     | .3                            | .3               | .2               |
| Repetitive motions involving microtasks, n.e.c. ....                     | 729                     | .2                            | .2               | .2               |
| Other exertions or bodily reactions .....                                | 73                      | 16.6                          | 26.4             | 8.8              |
| Other exertions or bodily reactions, unspecified .....                   | 730                     | .6                            | 1.3              | .2               |
| Bending, crawling, reaching, twisting, climbing, stepping .....          | 731                     | 9.3                           | 14.3             | 5.3              |

TABLE L111. Incidence rates<sup>1</sup> for nonfatal occupational injuries and illnesses involving days away from work<sup>2</sup> per 10,000 full-time workers by event or exposure leading to injury or illness and gender, local government, 2013 — Continued

| Event or exposure  | Event code <sup>3</sup> | Local government <sup>4</sup> | Gender           |                  |
|--|-------------------------|-------------------------------|------------------|------------------|
|  |                         |                               | Male             | Female           |
| Bending, crawling, reaching, twisting, climbing, stepping, unspecified ..... | 7310                    | 0.3                           | 0.6              | 0.1              |
| Bending, crawling, reaching, twisting—single episode .....                   | 7311                    | 5.0                           | 6.6              | 3.7              |
| Bending, crawling, reaching, twisting—repetitive or prolonged .....          | 7312                    | .7                            | 1.3              | .3               |
| Climbing or stepping up or down—single episode ..                            | 7313                    | 3.1                           | 5.5              | 1.2              |
| Climbing or stepping up or down—repetitive or prolonged .....                | 7314                    | .1                            | .3               | —                |
| Kneeling, kneeling down .....  | 732                     | .2                            | .5               | .1               |
| Kneeling, kneeling down—single episode .....                                 | 7321                    | .2                            | .3               | .1               |
| Kneeling, kneeling down—repetitive or prolonged ..                           | 7322                    | .1                            | .1               | —                |
| Sitting, sitting down .....  | 733                     | .3                            | .3               | .3               |
| Sitting, sitting down, unspecified .....                                     | 7330                    | ( <sup>5</sup> )              | —                | .1               |
| Sitting, sitting down—single episode .....                                   | 7331                    | .2                            | .1               | .2               |
| Sitting, sitting down—repetitive or prolonged .....                          | 7332                    | .1                            | .2               | ( <sup>5</sup> ) |
| Standing, standing up .....  | 734                     | .5                            | .9               | .3               |
| Standing, standing up—single episode .....                                   | 7341                    | .4                            | .7               | .3               |
| Standing, standing up—repetitive or prolonged .....                          | 7342                    | .1                            | .2               | —                |
| Walking, without other incident .....  | 735                     | 1.1                           | 1.5              | .8               |
| Walking, without other incident, unspecified .....                           | 7350                    | .2                            | .1               | .2               |
| Walking, without other incident—single episode .....                         | 7351                    | .8                            | 1.2              | .5               |
| Walking, without other incident—repetitive or prolonged .....                | 7352                    | .1                            | .2               | .1               |
| Running, without other incident .....  | 736                     | 1.4                           | 2.3              | .6               |
| Running, without other incident, unspecified .....                           | 7360                    | ( <sup>5</sup> )              | —                | —                |
| Running, without other incident—single episode .....                         | 7361                    | 1.2                           | 2.0              | .6               |
| Running, without other incident—repetitive or prolonged .....                | 7362                    | .1                            | .3               | ( <sup>5</sup> ) |
| Boarding, alighting—excluding slip, trip, fall .....                         | 737                     | 1.4                           | 2.5              | .5               |
| Boarding, alighting—excluding slip, trip, fall, unspecified .....            | 7370                    | ( <sup>5</sup> )              | —                | —                |
| Boarding, alighting—excluding slip, trip, fall—single episode .....          | 7371                    | 1.3                           | 2.5              | .4               |
| Boarding, alighting—excluding slip, trip, fall—repetitive or prolonged ..... | 7372                    | ( <sup>5</sup> )              | ( <sup>5</sup> ) | —                |
| Multiple types of exertions and bodily reactions .....                       | 738                     | .3                            | .4               | .1               |
| Other exertions or bodily reactions .....                                    | 739                     | 1.5                           | 2.4              | .7               |
| Sustained viewing .....  | 7391                    | ( <sup>5</sup> )              | ( <sup>5</sup> ) | —                |
| Other exertions or bodily reactions, n.e.c. ....                             | 7399                    | 1.5                           | 2.4              | .7               |

See footnotes at end of table.

TABLE L111. Incidence rates<sup>1</sup> for nonfatal occupational injuries and illnesses involving days away from work<sup>2</sup> per 10,000 full-time workers by event or exposure leading to injury or illness and gender, local government, 2013 — Continued

| Event or exposure  | Event code <sup>3</sup> | Local government <sup>4</sup> | Gender |        |
|--|-------------------------|-------------------------------|--------|--------|
|  |                         |                               | Male   | Female |
| Bodily conditions, n.e.c. ....                             | 74                      | 1.2                           | 2.0    | 0.5    |
| Multiple types of overexertions and bodily reactions ..... | 78                      | .2                            | .3     | .1     |
| Overexertion and bodily reaction and exertion, n.e.c. .... | 79                      | .5                            | .6     | .4     |
| <b>Nonclassifiable</b> .....                               | 9999                    | 1.4                           | 2.2    | .8     |

<sup>1</sup> Incidence rates represent the number of injuries and illnesses per 10,000 full-time workers and were calculated as:  $(N/EH) \times 20,000,000$  where

N = number of injuries and illnesses  
 EH = total hours worked by all employees during the calendar year

20,000,000 = base for 10,000 equivalent full-time workers (working 40 hours per week, 50 weeks per year)

<sup>2</sup> Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.

<sup>3</sup> Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.

<sup>4</sup> Excludes farms with fewer than 11 employees.

<sup>5</sup> Data too small to be displayed.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
