¹ Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.

² Excludes farms with fewer than 11 employees.

³ Information is not shown separately for injured workers under age 14; they accounted for fewer than 50 cases.

⁴ Race and ethnicity data do not add to total. Some cases may be counted as both Multi-race and Hispanic and other race.

NOTE: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
