¹ Includes cases involving only days of job transfer or restriction.

² In January of 2012, the BLS Survey of Occupational Injuries and Illnesses (SOII) began to collect information on case circumstances and worker characteristics for days-of-job-transfer-or-restriction (DJTR) cases. This supplemental information was part of a pilot study on days of job transfer or restriction. The pilot included six 3-digit industries including: Specialty trade contractors; Food manufacturing; Building material and garden equipment supplies dealers; Air transportation; Warehousing and storage; and Nursing and residential care facilities.

³ Totals include data for industries not shown separately.

⁴ North American Industry Classification System — United States, 2007.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
