TABLE L106. Incidence rates¹ for nonfatal occupational injuries and illnesses involving days away from work² per 10,000 full-time workers by part of body affected by the injury or illness and summary occupational groups, local government, 2012³ — Continued

Part of body	Part of body code ⁴	Local government ⁵	Summary occupational groups ⁶					
			Management, business, and financial occupations	Computer, engineering, and science occupations	Education, legal, community service, arts, and media occupations	Healthcare practitioners and technical occupations	Service occupations	Sales and related occupations
Nonclassifiable	9999	1.8	1.0	–	0.3	3.5	4.3	–

See footnotes at end of table.

TABLE L106. Incidence rates¹ for nonfatal occupational injuries and illnesses involving days away from work² per 10,000 full-time workers by part of body affected by the injury or illness and summary occupational groups, local government, 2012³ — Continued

Part of body	Summary occupational groups ⁶					
	Office and administrative support occupations	Farming, fishing, and forestry occupations	Construction and extraction occupations	Installation, maintenance, and repair occupations	Production occupations	Transportation and material moving occupations
Nonclassifiable	1.0	–	3.2	2.2	2.2	2.4

¹ The incidence rates represent the number of injuries and illnesses per 10,000 full-time workers and were calculated as: (N/EH) x 20,000,000, where

N = number of injuries and illnesses

EH = total hours worked by all employees during the calendar year

20,000,000 = base for 10,000 equivalent full-time workers (working 40 hours per week, 50 weeks per year)

² Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.

³ Incorrect national-level estimates of nonfatal occupational injuries and illnesses were published for the Survey of Occupational Injuries and Illnesses (SOII) for reference year 2012. This table includes corrected estimates. For additional information see: https://www.bls.gov/bls/errata/iif_errata_1014.htm.

⁴ Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.

⁵ Excludes farms with fewer than 11 employees.

⁶ *Standard Occupational Classification Manual*, 2010, Office of Management and Budget.

⁷ Data too small to be displayed.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
