1 Days-away-from-work cases include those that resulted in days away from work, some of which also included job transfer or restriction.
2 Based on the Occupational Injury and Illness Classification System 2.01 developed by the Bureau of Labor Statistics.
3 Excludes farms with fewer than 11 employees.

Note: Dash indicates data do not meet publication guidelines. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
