1 Incorrect national-level estimates of nonfatal occupational injuries and illnesses were published for the Survey of Occupational Injuries and Illnesses (SOII) for reference years 2011 and 2012. This table includes corrected estimates for one or both of these years. For additional information see: http://www.bls.gov/errata/iif_errata_1014.htm.
2 Totals include data for industries not shown separately.
3 North American Industry Classification System — United States, 2007
4 See discussion on reliability of estimates at http://www.bls.gov/iif/osh_rse.htm
5 Industry scope changed in 2009.
6 Relative standard errors were not calculated for mining, except oil and gas (NAICS 212), and rail transportation (NAICS 482).

NOTE: Dash indicates data do not meet publication guidelines.
