¹ Classified according to the *Standard Industrial Classification Manual, 1987*.

² Includes fatalities to workers employed by governmental organizations regardless of industry.

³ Includes 4 fatalities that occurred inside the U.S. territorial boundaries, but a State of incident could not be determined.

NOTE: Totals for major categories may include subcategories not shown separately.

Dashes indicate no data reported or data that do not meet publication criteria.

There were 17 fatalities for which there was insufficient information to determine a specific industry classification, though a distinction between private and government was made for each.
