¹ The 10th, 25th, 50th, 75th, and 90th percentiles designate position within each published series. For example, at the 50th percentile or median, half of the participating workers receive the same as or more than the benefit shown, and half receive the same as or less than the benefit shown. At the 25th percentile, one-fourth of the participating workers receive the same or less than the benefit shown. The remaining percentiles follow the same logic.

NOTE: Because of rounding, sums of individual items may not equal totals. Dash indicates no workers in this category or data did not meet publication criteria. For definitions of major plans, key provisions, and related terms, see the "Glossary of Employee Benefit Terms" at www.bls.gov/ncs/ebs/glossary20082009.htm.
