<sup>1</sup> Employees either are granted a specific number of days after completion of the indicated length of service or accrue days during the next 12-month period. The total number of days is assumed to be available for use immediately upon completion of the service interval. Periods of service are chosen arbitrarily and do not necessarily reflect individual provisions for progression. Fractional vacation amounts were rounded to the nearest full number of days.

<sup>2</sup> Employees eligible for paid vacations but who have not fulfilled the minimum service requirement are included as receiving 0 days. Estimates include plans that are

exclusively for paid vacation and vacation plans that are part of a consolidated leave plan that provides a single amount of time-off for workers to use for multiple purposes.

<sup>3</sup> Less than 0.05.
