<sup>1</sup> Employees earn or accrue a specified number of sick leave days per year. This number may vary by length of service.

<sup>2</sup> Plan does not specify maximum number of days.

<sup>3</sup> A consolidated leave plan provides a single amount of time off for workers to use for multiple purposes, such as vacation, illness, or personal business.

<sup>4</sup> Surveyed occupations are classified into wage categories based on the average wage for the occupation, which may include workers with earnings both above and below the threshold. The categories were formed using percentile estimates generated using ECEC data for March 2014.

Note: Because of rounding, sums of individual items may not equal totals. Dash indicates no workers in this category or data did not meet publication criteria.
