

**Appendix table 2**

**Survey establishment response**

| Establishments                               | Civilian | Private industry | State and local government |
|--|----------|------------------|----------------------------|
| Total in sampling frame <sup>1</sup> .....   | 907,559  | 867,472          | 40,087                     |
| Total in sample .....                        | 5,345    | 4,679            | 666                        |
| Responding .....                             | 3,303    | 2,739            | 564                        |
| Refused or unable to provide data .....      | 1,356    | 1,258            | 98                         |
| Out of business or not in survey scope ..... | 686      | 682              | 4                          |

<sup>1</sup> The list of establishments from which the survey sample was selected (sampling frame) was developed from State unemployment insurance reports and is based on the 2007 North American Industry Classification System (NAICS). For private industry, an establishment is usually a single physical location. For State and local government, an establishment is

defined as all locations of a government entity.

NOTE: Dashes indicate that data did not meet publication criteria.
