Understanding America Survey (UAS)	Some	Yes	No	
The National Survey of Children's Health (NSCH)	None	Yes	Yes	
<b>NLS Surveys</b>				
NLSY79	Yes	Yes	Yes	2020-21
NLSY97	Yes	Yes	Yes	Ongoing
NLSY79 Child/YA	Yes	Yes	Yes	2020-21

<b>Dropped Criteria</b>			
<b>Decision: include/exclude</b>	<i>Exclude if the survey is administered at a frequency lower than once a year (Dropped - excluded too many surveys)</i>	<i>Include if there is a minimum of three completed rounds (Dropped at BLS request)</i>	<i>Most recent round with age 15-18 respondents (retained for reference)</i>
include	7-8 years between waves	5 rounds	1996
include (per BLS)	2-3 years	5 rounds (each)	
include (per BLS)	Biennial	1 round	
include	<i>irregular: 2009, 2012, 2013, 2016</i>	3 rounds	2013
include	Initially yearly, now biennial	41 rounds	2021
include	12-13 interviews over 4 years	18 rounds	ongoing
include	Biennial	9 rounds	2020
include	<i>Longitudinal data on individual-level changes over time, observed periodically over a 4-year period (annual??)</i>	12 rounds	ongoing
include	Annual	Up to 9 rounds (or 12 if you count the years of adults only under a different umbrella)	ongoing
<b>include</b>	<i>Annual</i>	12 rounds	ongoing
exclude (per BLS)	<i>irregular; every 2-10 years</i>	12 rounds	1974
include	irregular; every 4-10 years	11 rounds	1986
include	<i>first 7 rounds annual, then every 5-6 years</i>	9 rounds	2008
include	irregular; every 2-4 years	7 rounds plus fielding in 2022	2018
exclude	<i>Irregular, up to 10 years btwn waves</i>	5 rounds	
exclude	rounds 1-5 yearly, biennial thereafter	14 rounds	
exclude	<i>irregular: 1980, 1982, 1984, 1986, 1992, 2014</i>	8 rounds	1982
exclude	low frequency - around 10 years	3 rounds	

exclude	<i>irregular: 1988, 1990, 1992, 5 rounds 1994, 2000</i>	1992
---------	---	------

exclude	Irregular/high frequency internet panel	100+ surveys
---------	---	--------------

exclude	<i>Annual since 2016, but not longitudinal</i>	8 rounds
---------	--	----------

--	--	--

	<i>biennial since 1994</i>	29	1983
	biennial since 2012	19	2003-04
	<i>biennial</i>	Yes	2020-21
