(INTERVIEWER: IT IS NOW TIME TO ADMINISTER THE AUDIO CASI SECTION OF THE INTERVIEW. PLEASE INSERT THE HEADPHONE INTO THE LAPTOP AND THEN READ THIS INTRODUCTION TO THE RESPONDENT:)

This part of the interview is different from the previous parts. In the previous parts I read you the questions and recorded your answers. For this section you will hear the question through the headphones while you read the question on the computer screen.

You may remember how this works. We have one practice question.
