

Consumer prices rose less in 2006 than in 2005 3

Lower natural-gas prices and a smaller increase in gasoline prices contributed to a lower rise in the all-items index

Todd Wilson

Time use in America

How do older Americans spend their time? 8

Older Americans' time use changes dramatically with age, but it is the lower employment rates at older ages—rather than age itself—that matters most

Rachael Krantz-Kent and Jay Stewart

Comparing childcare measures in the ATUS and earlier time diary studies 27

The American Time Use Survey's measures of primary childcare and time with children are comparable with those in earlier U.S. time diary studies

Mary Dorinda Allard, Suzanne Bianchi, Jay Stewart, and Vanessa R. Wight

Teen time use and parental education: evidence from the CPS, MTF, and ATUS 37

Responses from three surveys indicate that parental education plays a critical role in the way teens spend their time in employment and other activities

Shirley L. Porterfield and Anne E. Winkler
