

Lawrence R. Klein Award recipients announced for 2018

Each year since 1969, the Lawrence R. Klein Award has honored the best articles appearing in the Bureau of Labor Statistics' *Monthly Labor Review*. The award was established in honor of Lawrence R. Klein, who retired in 1968 after 22 years as editor-in-chief of the *Review* and established a fund to encourage articles that exhibit originality of ideas or methods on analysis, adhere to the principles of scientific inquiry, and are well written.

Among articles in 2018, the trustees chose "[Multifactor productivity slowdown in U.S. manufacturing](#)" by Michael Brill, Brian Chansky, and Jennifer Kim.

Members of the Lawrence R. Klein Award board of trustees are Deborah Klein (president), Ronald Kutscher (secretary-treasurer), William Barron, Robert Bednarzik, and Thomas Nardone.
