¹ Includes mining and logging, information, and other services (except public administration), not shown separately.

² Data not available for September and October 2017. Given the lack of adequate sample data, reliable September and October 2017 estimates for the U.S. Virgin Islands cannot be produced at this time.

³ Includes all series in private service providing and goods producing.

⁴ Includes mining and logging, construction, and manufacturing.

⁵ Includes all series in private service providing and government.

⁶ Includes trade, transportation, and utilities, information, financial activities, professional and business services, education and health services, leisure and hospitality, and other services (except public administration).

⁷ Mining and logging is combined with construction.

⁸ This series is not published seasonally adjusted because the seasonal component, which is small relative to the trend-cycle and irregular components, cannot be separated with sufficient precision.
