Employed persons are classified as full- or part-time workers based on their usual weekly hours at all jobs regardless of the number of hours they are at work during the reference week. Persons absent from work also are classified according to their usual status. Full time is 35 hours or more per week; part time is less than 35 hours.

Unpaid family workers are included in total employed, but not shown separately.

Management, professional, and related occupations.

Basic occupations

Agriculture

Nonagricultural industries

Wage and salary workers.

Government.

Private industries.

Other industries.

1 Includes persons of Central or South American origin and of other Hispanic or Latino ethnicity, not shown separately.
2 Unpaid family workers are included in total employed, but not shown separately.
3 Includes self-employed workers whose businesses are incorporated.
4 Employed persons are classified as full- or part-time workers based on their usual weekly hours at all jobs regardless of the number of hours they are at work during the reference week. Persons absent from work also are classified according to their usual status. Full time is 35 hours or more per week; part time is less than 35 hours.

NOTE: Persons whose ethnicity is identified as Hispanic or Latino may be of any race. Updated population controls are introduced annually with the release of January data. Effective with January 2020 data, occupations reflect the introduction of the 2018 Census occupational classification system, derived from the 2018 Standard Occupational Classification (SOC). No historical data have been revised. Data for 2020 are not strictly comparable with earlier years.
